Rachel Cook - Vice President
Chris Rumbold - Secretary
Rachel Binnington - Treasurer
Graham Pipet - Secuela Co-ordinator
Barbara Wells - Newsletter editor

A MESSAGE FROM THE PRESIDENT

It was with a heavy heart that the Board made the decision a few days ago to postpone the Ladies Weekend scheduled for this week, due to circumstances beyond our control. It was a great disappointment for Rachel and her team, who had put in so much effort in preparing for the weekend. Rachel will be leading the autumn Ladies Weekend next year. Please pray for her and for the whole team and also for the participants who will be enjoying their weekend in the spring. We will be writing to Father Gerald at St Rita's to express our thanks for the sympathetic way he responded to our late cancellation.

As I write this message we have a week to go before Men's Weekend number 13 with five participants booked in. Especially with the men's events, anything can happen in the last week, but it looks likely that it will be a rather small weekend. Please consider who God might be laying on your heart to invite to a future weekend. If finance is likely to be a problem for someone you might otherwise sponsor, please contact me as we do have a small bursary fund available to ensure that money is not an obstacle for participants.

PALANCA DAYS

If you would like to host a Palanca Day they are great fun please contact Andy Binnington 01202 600052 and we will pass the information around the community. Palanca days (or mornings or afternoons if you prefer) are a great time for fellowship and a way to show how much we care for the participants (and team) on weekends.

SPONSORSHIP

Have you sponsored someone on a weekend? Where are they now? Can you encourage them to link in again? It is really good to encourage someone to attend a weekend but sponsorship dose not end there! We need to encourage tem to keep in touch, to come to Secuelas when they can to join with a reunion group. Please continue to pray for those who God is placing on your heart that deserve their special weekend.

NEWSLETTERS

We are really keen to keep in contact with as many of the Community as possible. We are very conscious of the costs involved and have been trying to find a solution to find the most cost effective way to do this. Emails are a very good idea as these involve very little overhead but we do not have email address for everyone. We are enclosing a form and ask if you would be kind enough to complete this ASAP and return to the address provided. If you are reading this on email THANK YOU. Could you possible circulate the information to others that do not have email address in your area? If so we would love to hear from you.

De Colores from the Board of TDSW.
